

P.T.V

Mounting

Young riders

Seniors

From the left or the right

Equipment...

Circle 2,50 m diameter marked on the ground

- 1 red flag and white flag.

OI

- 1 red pennant.
- 1 white pennant.

In this case, the flags that delimit the entrance door are positioned tangent to the circle and diametrically opposed.

- 1 number
- Marking equipment: sand, paint, etc
- 1 stopwatch.

Features...

The rider can enter the difficulty in saddle or hand; in this case the stirrups must be raised or crossed.

From the moment the horse has a foot in the circle, the rider has 15 seconds to perform his mount. The judgment of the mount starts when the rider raises one foot off the ground in order to put on his stirrup.

From this moment the horse must not move a single foot.

The mount is considered finished from the moment when the rider has put on both stirrups.

Objective: Mounting from the left or the right

Ride the horse without moving any of these four legs.

Effectiveness faults...

Before the difficulty

- Running out
- Error of course corrected
- Stepping back
- Refusal
- Circling

In the difficulty

- Each foot move

Style faults...

- Loss of balance of the rider
- The rider makes the horse uncomfortable, banging with the leg, etc.
- The rider sits down heavily
